INFLATABLE LIFEJACKETS BUDGET INFLATABLE

The Ultra Budget Inflatable uses the UML Pro-Sensor inflator which clearly indicates the armed state, comes in a variety of colours in 600D Polyester valise, has highly adjustable 38mm belts and a soft neoprene collar for comfort. The Ultra Inflatable has minimum of 150 newtons for a high level of buoyancy when needed, and is light and easy to wear all day. Manual inflatables require active inflation by the user and have servicing requirements, so please make sure to familiarise yourself with the operation of inflatable PFDs before use.

- Contoured slim fit design
- Comfortable neo collar
- Lanyard attachment point
- Solas grade reflective tape
- 38mm plastic buckle and webbing
- Manual and Auto models
- Advanced Multi-Fit Design
- Multiple colours available

Sizes: Adult One Size

OFF SHORE FISHING INFLATABLE

A new level of performance for fishermen. This vest is light and comfortable with air mesh liner to help keep you cool and features a hydration pouch to quench your thirst. Other features include three generous sized zippered pockets, water resistant phone pocket and six stash pockets four front and two back. The 150N inflatable lifejacket remains safely packed away in a zippered enclosure and bursts out of the lifejacket with activated.

- Contoured Slim Fit Design with air meshed liner
- Lanyard attachment point
- Solas grade reflective tape
- Water resistant phone pocket
- Multiple zippered pockets & stash pockets
- 38mm plastic buckle and webbing
- Advanced Multi-Fit Design

Sizes: Adult One Size

Off Shore Fishing Inflatable

Off Shore Fishing Inflated

INFLATABLE COMPACT WAISTBELT

This all new design is one of the smallest on the market but still boasts 150N performance. Other features include an abrasion resistant window so you can easily see that the devices charged and okay to use. This simple to use design will also allow you to attach fishing accessories to the belt such as a rod bucket or fishing pliers. This device is also popular with SUP riders who want a minimalist solution to lifejacket requirements. Note waist belt inflatable lifejackets do require secondary donning.

- Velcro Release Design
- Lanyard attachment point
- Solas Grade Reflective Tape
- Plastic Buckle
- Advanced Multi-Fit Design

Sizes: Adult One Size

ACCESSORIES

AUTO RE-ARM KIT

This convenient blister packed kit contains the auto cartridge & clips to re-arm all Ultra PFD Auto 150N inflatable vests. Always keep a spare kit on board for added safety.

For Auto 150N you will need this kit and the manual cylinder/clip kit.

This Re-arming kit must only be used for re-arming vests using the UML MK5 inflators. Clips included for both old (black) and new (yellow) indicators.

BLADDER

This 2 litre bladder will fit most hydration systems.

SLIMLINE 15 METRE THROWBAG

This throwbag is made from high quality components and has built in flotation. The unique cone shape makes restuffing quick and simple.
